

AG Education Days

Carroll County 4-H & The Carroll

County Agricultural Fair

Present

2019 AG EDUCATION DAYS

**MONDAY, AUGUST 19th – THURSDAY, AUGUST
22nd, 2019**

for

SECOND and THIRD graders

ATTENDING

**CARROLL COUNTY PUBLIC SCHOOLS, GALAX CITY PUBLIC SCHOOLS, &
GRAYSON COUNTY PUBLIC SCHOOLS along with AREA HOMESCHOOLERS
AND GROUPS**

On behalf of the Carroll County Fair Committee, our partners

and sponsors, we are once again very excited to host 2nd & 3rd graders and Homeschoolers to the 2019 Ag Education Days!

The kids will enjoy the educational full day field trip and learn about agriculture and how it affects them and future generations.

We will have *front* stations and *back* stations. You will spend your morning in one or the other locations and will switch after lunch. When we switch you will start with your same number in the back. Example (Front 1 will start at Back 1 after lunch). **Each station will last for 15 minutes. You will have 3 minutes to move to your next station.** The sound of an air-horn will mark when it is time to move to the next station.

Each teacher will receive a kit with agricultural education resources and gifts for your students. We hope you can and will use these resources to continue agricultural education in your classrooms after today. Stations will follow along with the student's SOL's.

Teachers will be given an evaluation at the last station to complete. Please fill it out and give it back to the presenter at the end of that presentation.

Contact Jonette Mungo, Carroll County Extension's 4-H director, for more information jonetm4@exchange.vt.edu ~ (276) 730-3110

Goal of Ag Education Days:

Introduce students to local agriculture

Objectives of Ag Education Days at the Fair:

- Provide students hands-on agricultural

experience

- Demonstrate to students role agriculture plays in everyday life
- Teach students need for conservation of resources needed for agriculture
- Provide students and teachers with follow-up resource materials related to agriculture
- Introduce students to lesser-known areas of agriculture
- Allow students to taste locally grown watermelon at snack station

Sponsors for the Ag Days:

American Dairy Association North East

American Lamb

Cattlemen's Beef Board and National Cattlemen's Beef Association

Carroll County

Carroll-Grayson-Galax Solid Waste Authority

National Onion Association

National Peanut Board

National Pork Board

National Watermelon Promotion Board
