

Goals of our County Fair

Goals of our Agricultural Fair:

- To be both fun and educational for people of all ages.

- To give our community an economical place to enjoy themselves while learning about the importance of Agriculture.
- To become a community event that everyone takes pride in.
- To give individuals a chance to reminisce about the way things used to be and at the same time show how agriculture and the area has progressed.
- To have folks come away from the Fair with a better understanding of the area's agriculture diversity and agriculture's importance to the area's economy. To have a wide variety of fun events for children of all ages such as the carnival rides, barnyard animals, storytelling,
- beauty pageant, pet show, and more.

Fun For The Whole Herd!
